

Changing Rooms Policy

Baseline Tennis strives to ensure that all children are safeguarded from abuse and have an enjoyable tennis experience.

This documents sets out the Baseline policy for the acceptable use of our changing rooms.

1. Groups of children will have sole use of changing rooms. This reduces any risks and potential vulnerability associated with mixing adults and children when changing and showering.
2. If adults and children need to share our changing rooms, they will do so at different times.
3. Under no circumstances will adult staff, coaches or volunteers change or shower at the same time as children using the changing rooms.
4. Mixed gender groups of children will have access to separate changing rooms.
5. If we are made aware that a child or adult self-identifies as a gender that differs from the gender they were assigned at birth, we will work with them and their parents/carers (where it relates to a child) to make reasonable adjustments to changing their arrangements to suit their needs.
6. Mobile phones, cameras and other electronic devices must not be used in changing rooms.
7. For younger groups of children, a DBS checked member of staff or volunteer will wait outside the changing rooms to allow children to call for assistance if required.
8. Where possible, children should arrive changed. Where changing rooms are needed a parent/carer should wait outside unless there is a DBS check member of staff available.
9. The baseline toilet facilities are separate to the changing/shower rooms. There are no toilet facilities in the changing rooms.
